

Francesco Moretto

Date of birth: 03/11/2007 | Nationality: Italian | Mobile phone: +39 3519468563 | Email address: francesco.moretto007@gmail.com | Website: <https://ryuzakxx.github.io/myexperience/> | Home address: (Italy)

Driving Licence

- Driving licence B

Skills

- Elevate competenze informatiche
- Padronanza del Pacchetto Office (Word Excel PowerPoint ecc)
- Database (SQL)
- Problem Solving
- Ricerca e analisi dati
- LLM & AI
- Sviluppo Web
- Programmazione (C++, C#, Python, PHP)
- Gestione Progetti
- Git e Github
- AI Prompting

Language Skills

- **Italiano:** Mother tongue
- **Inglese**
 - Listening: B1
 - Reading: B1
 - Spoken production: B1
 - Spoken interaction: B1
 - Writing: B1

Hobbies and Interests

Simracing e Motorsport

Education & Training

Middle School Diploma

Enrico Fermi | Oria, Italy

Level in EQF: 2

Diploma in Computer Science

10/09/2021 – 09/06/2026

ITT Enrico Fermi | Francavilla Fontana, Italy

Final grade: 95/100 | Level in EQF: 4

Certifications

Claude 101

15/03/2026

Anthropic

Learn how to use **Claude** for everyday work tasks, understand core features, and explore resources for more advanced learning on other topics.

Claude Code in action

16/03/2026

Anthropic

This course provides comprehensive training on using **Claude Code** for software development tasks, covering the underlying architecture of AI coding assistants, practical implementation techniques, and advanced integration strategies. You'll learn about Claude Code's context management approaches, and how to extend functionality through MCP servers and GitHub integration.

AI Fluency for Students

25/03/2026

Anthropic

This course empowers students to develop *AI Fluency skills* that enhance learning, career planning, and academic success through responsible AI interaction.

Projects

AI4OLD – FUTURO CHALLENGE 2025 UNISALENTO

Native application that helps old people prevent telephone scam

I Forgot Your Name

01/02/2026 – Current

First-person psychological horror game built with Godot 4, inspired by the lo-fi aesthetic of PlayStation 1-era survival horror titles. You wake up in a dense, fog-shrouded forest and must piece together your identity using diaries and notes scattered across the map.

<https://ryuzaki555.itch.io/i-forgot-your-name>

Progetto Databridge – 2th place on overall

13/02/2026 – 13/02/2026

Participation in the DataBridge project, an initiative involving Master's students from the Data Science for Humanities and Social Sciences program in supporting high schools. Activities included: an introduction to Principal Component Analysis (PCA), interpretation of results, and practical use of the open-source software Jamovi for data analysis.

OriAntica

05/03/2026 – Current

A website dedicated to the history, legends, and medieval culture of Oria (BR), a Messapian city in southern Puglia. A project to gather and preserve the city's historical memory.
